

Infusion Ventures Awarded Home Care Accreditation from The Joint Commission

(Woburn, MA, December 9, 2021)-**Infusion Ventures** has earned The Joint Commission's **Gold Seal of Approval** for Accreditation by demonstrating continuous compliance with its performance standards. The **Gold Seal** is a symbol of quality that reflects a health care organization's commitment to providing safe and quality patient care.

Infusion Ventures underwent a rigorous unannounced onsite review on September 8, 2021. During the visit the Joint Commission representative evaluated compliance with **Infusion Ventures'** standards spanning several areas including emergency management, infection prevention and control, leadership, medication management, and rights and responsibilities of its patients.

Infusion Ventures services five New England states (MA, CT, RI, NH, ME). David Pliner, President, stated, "**Infusion Ventures** has grown geographically in the 28 years since its founding. We value our corps of professional infusion nurses throughout New England making quality home infusion therapy possible for hundreds of patients."

Christina Griecci, JD, General Manager of **Infusion Ventures**, said, "This was our fourth voluntary Accreditation. Inviting the Joint Commission into our operations has provided significant opportunities to improve our level of care. We have added many new therapies, hired and trained many new infusion nurses, while complying with the rigid standards of the Joint Commission. We are a better organization because of our Joint Commission relationship."
